WORK EXPERIENCE

SALUT Bilge Turki

Bursa, Türkiye

Fullstack Web Developer

Oct 2025 - Present

- SALUT Bilge Turki is a website affiliated with [Terbuka University](#) in Indonesia. Our mission is to give Indonesian students abroad the opportunity to earn a double degree.
- For now, I'm the solo developer in this project. I handle all section from choosing DB, Cloud Provider, and tech stack, to SEO and UI/UX design. Honestly, this has been my biggest learning curve so far.
- I decided to use Neon DB as a serverless PostgreSQL, Vercel for deployment, Fullstack Next 16 with Typescript for both the client and dashboards.

PCI Nadhlatul Ulama Turki

Remote

Fullstack Web Developer - Freelance Project

Oct 2025 - Present

- Developing a website for the Special International Branch Organization of Nadhlatul Ulama in Indonesia using Next 16 with Typescript.
- Implementing a cache component for rendering a news articles that can be added by the admin.
- Used Neon DB as a serverless PostgreSQL and im using Prisma as the ORM.

Al-Azhar Memorial Garden

Remote

Frontend Developer - Freelance Project

Sep 2025 - Oct 2025

- Chose Next JS 15 with Typescript and Tailwind for this project.
- Implemented a given Figma design into a fully responsive website

Badminstore

Bursa, Türkiye

Frontend Developer - Freelance Project

Feb 2025 - Apr 2025

- Took the Figma designs and turned them into a fully functional frontend using Next.js, making sure the site looks great on all devices.
- Made the site SEO-friendly so it's easy to find on search engines and loads fast for users.

Labbaik Chicken

Remote

Frontend Developer - Freelance Project

Aug 2024 - Sep 2024

- Developed the entire frontend using React based on Figma designs, ensuring pixel-perfect implementation and responsive layouts.

LEADERSHIP EXPERIENCE

Bootcamp HariSenin

Remote

Team Lead – Full-Stack Web Development Bootcamp

Jul 2023 - Jan 2024

- Led a team of 8 people during the final project phase.
- We split our tasks into frontend and backend. I made sure everyone stayed connected and no one got left behind.
- Pushed the team to finish everything on time, and honestly it was fun seeing everyone grow during the process. In the end, our project got 2nd place in the bootcamp final evaluation.
